

Why Should We Tell The Truth?

Kichu & Leela's Little Life Lessons

by Kichu & Leela Tales™

At school, Leela accidentally spilled some paint on a friend's drawing.

"Oh no!" she whispered.

"Should I tell my teacher what happened?"

"Kichu... why should we say the truth?"

Kichu smiled and said,

"The truth makes our hearts feel light!"

**"When we tell the truth, people can trust us,"
Kichu said.**

"Trust is like a bridge between friends."

Leela thought for a moment...

**Then she went to her teacher and
told her everything.**

Her teacher smiled and said,
**"Thank you for being honest.
We can fix this together!"**

Saying the truth helps us grow brave and kind.

What will you be honest about today?

Maybe a mistake... a secret... or a promise. 😊
